Because this Fund is permanently endowed, **YOUR DONATION** will forever make a difference in Crivitz.

Each year Crivitz-area non-profits are able to submit a grant application via the M&M Area Community Foundation's website. All applications are reviewed by the Crivitz Grant Committee.

The Crivitz Area Giving Fund is a *good* way to give back to our community!

When I went to lunch today, I noticed an old man sitting on a park bench sobbing his eyes out. I stopped and asked him what was wrong.

He told me, 'I have a 22 year old wife at home. She rubs my back every morning and then gets up and makes me pancakes, sausage, fresh fruit and freshly ground coffee.'

I continued, 'Well, then why are you crying?'

He added, 'She makes me homemade soup for lunch and my favorite biscuits, cleans the house and then watches sports TV with me for the rest of the afternoon.'

I said, 'Well, why are you crying?'

He said, 'For dinner she makes me a gourmet meal with wine and my favorite dessert and then we cuddle until the small hours.'

I inquired, 'Well then, why in the world would you be crying?'

He replied, 'I can't remember where I live.'

Sitting on the side of the highway waiting to catch speeding drivers, a State Police Officer sees a car puttering along at 22 MPH.

He thinks to himself, "This driver is just as dangerous as a speeder!" So he turns on his lights and pulls the driver over. Approaching the car, he notices that there are five old ladies, two in the front seat and three in the back, wide eyed and white as ghosts.

The driver, obviously confused, says to him, "Officer, I don't understand, I was doing exactly the speed limit! What seems to be the problem?"

"Ma'am," the officer replies, "You weren't speeding, but you should know that driving slower than the speed limit can also

be a danger to other drivers."

"Slower than the speed limit? No sir, I was doing the speed limit exactly twenty-two miles an hour!" the old woman says a bit proudly.

The State Police officer, trying to contain a chuckle explains to her that "22" was the route number, not the speed limit.

A bit embarrassed, the woman grinned and thanked the officer for pointing out her error.

"But before I let you go, Ma'am, I have to ask... Is everyone in this car OK? These women seem awfully shaken and they haven't muttered a single peep this whole time," the officer asks.

"Oh, they'll be all right in a minute officer. We just got off Route 119."
